

Shaykh Sulaymān al-'Alwān(حفظه الله) was asked, if the virgin girl produces milk and breastfeeds with it, will she become the mother of the child?

The Shaykh responded by saying: There's no difference of opinion between the scholars that the virgin girl who isn't married, if she produces milk and breastfeeds with it, then that would cause them to become Mahrams, so the breastfed[child] will become her son, and he doesn't have a father, and ibn al-Mundhir(رحمه الله) in "al-Ijmā", ibn Qudāmah(رحمه الله) in "al-Mughnī" & others have alluded to this issue.
